## Profile

I am a third-year undergraduate pursuing a degree in Computer Science Engineering, slated for completion in 2025. My academic journey has equipped me with a solid foundation in Data Structures and Algorithms, primarily using Java and C.

My passion lies in the field of Web Development, where I have honed my skills to proficiency. I also possess a robust understanding of Android Development, and I am continuously expanding my knowledge in this domain. In addition, I have embarked on a journey into the realm of Machine Learning with Python.

I am actively seeking internship opportunities as a Software Development Engineer in a dynamic and fast-paced organization. My goal is to contribute my expertise and knowledge to enhance the company's growth while constantly exploring new horizons in the tech world. I am driven by the desire to apply my skills in innovative ways to contribute to the company's success.
